Hi Joe, hope you are doing well and enjoyed your first Saying-Hello newsletter. We had a sunny day here in Martha's Vineyard after lots of rainy windy ones so it was nice to get outside and do some work in the garden. We used a pressure washer and cleaned off the front porch and

back deck and pretty much anything else that got in the way; dogs, Ronan, me hahahah.

Sean Hanna | 05 Apr 20 | 06.20 PM

Hey Dad -
was
walking
around to
yours
today for
our daily

saying hello from the doorway (social distancing sucks) and walked past The sacred heart. I wanted to go and light a candle for mum, but of course it was closed!!! (As I said, social distancing sucks) anyway was just thinking about all the things that happened in that s church. the Christmas carols, The Christenings even the odd wedding!!! See you soon - xxxx

Hi Grandad,

We are currently in isolation as Ollie has been unwell, but he's better now. The schools are closed so I am trying to teach the children at home! I don't think they're keen!

Love you, we will visit as soon as we are allowed, Eleanor

Hi Dad -
The

Chandra says you are eating well so good you keep your strength up.
Hope to see you soon.

Hi
Grandad,
Today is
the first
day we've
been
allowed to
leave the
house in
two
weeks!
Not that

there's anywhere to go! We went to my mums garden (while she stayed indoors) and played outside for a bit, it was lovely just to get some fresh air.

I hope you're ok, I miss you so much, I can't wait until I can come and see you again, Love you, Eleanor x

Mike Hanna | 08 Apr 20 | 01.54 PM

Hi Dad, I thought I would share my typical morning walks view...life is a beach!

I bet you are missing our walks up Wimbledon common, but hopefully the lockdown will need before the winter.

Lots of love Michael

Eleanor Hanna | 08 Apr 20 | 02.19 PM

Just a note
to say I
went to
Asda...
and it
looked like
this! I
queued
for 40mins
just get
in!
Love you
xx

Eleanor Hanna | 09 Apr 20 | 04.28 PM

Hi
Grandad,
I hope you
got the
lucozade
and eggs
that I
dropped
to dad for
you, sorry
about the
cake, I
don't
think it
was the
right one!

Today we went for a walk as our one hour of exercise we are permitted each day. Ollie insisted on wearing his school backpack and hat, he has a style all of his own!

It feels strange as it's Easter and we'd usually be looking forward to the four day weekend, but at the moment every day is the same! we were meant to be going to a caravan in Devon tomorrow, and the weather

would have been beautiful for it too from the looks of things! But that's been cancelled, well moved, to Easter 2021!! Still we are safe and healthy, and that's what matters. Love you so much, Eleanor xx

Hi
Grandad,
Been a
strange
couple of
weeks at
work -
we've not
yet been
hit by the
virus like
London

has. But we're prepping for it to impact us in the community over the next couple of weeks. But now I have four days to look forward to at home with the boys - I'll upload some photos of the fun they've been having whilst I've been at work! Love

you xxx

Hey dad -
Do you
recognise
this
person. Its
Katherine.
She asked
me to give
you
virtual
hug and
sends you

her love.

Mo Kelly | 11 Apr 20 | 09.58 PM

Hi Joe,

Hope you are doing well and avoiding this crazy Corona Virus. I hate to tell you but I got even older!! Had a brilliant 57th birthday, Donny and Ronan spoiled me, went for a lovely walk on the beach, went to the barn and rode both horses which always makes me super happy :) Had a delicious dinner, my friends all got online for a video cocktail party which was really fun and I got some great presents of gift certificates for my favorite horse website ... couldn't be happier!!!

The weather was not great all week but today (Saturday) it cleared up so we did a load of work in the garden which is always exhausting but virtuous and I'm getting my house ready to hopefully rent this summer.

Martha's Vineyard has a crazy summer rental market and gets crazy busy so my plan is to pimp up my

house and rent it for 4 - 6 weeks while we go live on the farm in Upstate New York. Gets me away from the crowds (always good) and I make a bundle of money (never bad). That's the plan but in these crazy days who knows what will happen.

I spoke to my Mum tonight, she's behaving herself and staying home, at least that's what she tells me!!
Big love and hugs to you Joe xoxox

Happy Easter Joe! Here's a picture of Ronan with his Easter stash - Sue sent him the smarties egg from England nearly killed me not to eat it !!

Emma Hill | 12 Apr 20 | 10.54 AM

Hey Grandad,Happy Easter! Sending lots of love. It was Jacob's 2nd birthday on Saturday. We had a lovely day eating a BBQ, playing games and going for a walk. On Easter Sunday we decided to it knock down the shed! Missing you lots, Emma, Tim and Jacob xxx

Eleanor Hanna | 12 Apr 20 | 01.38 PM

Happy Easter Grandad!
Hope you're having a good day! We haven't done much, a small Easter egg hunt for the boys and then when out for daily exercise... Ollie cried the whole time! I think the lockdown is finally getting to him!

We are all missing you very much,
Love Eleanor xxx

Good
morning
Grandad,
The
lockdown
has been
great for
the
wildlife
even in
Sutton. I
can hear

so many birds and this little guy has
taken to hanging out our balcony!
Love you Eleanor

Hey Dad - It was great seeing you yesterday - It was Easter Sunday. I am loving the pictures that you are colouring. This one was very religious - with the angel!! - You re obviously feeling closer to God these days !! - I will be seeing you later today - Wearing my Mask and Gloves!!! It is frustrating that we can't touch or be close right now. And frustrating that I can't spend much time with you. But this virus transmits so easily and it really is a killer. So everyone does need to keep their distance even though it is difficult. We have never had anything like this in all our life times. But remember that I love you dad. All the family love you. Things will one day return to normal. Not soon - but some time in the next few months. And I know that when I wear the mask it makes it even more difficult for you to understand what I am saying. Of course, if you wore

your hearing aid, it would be easier,
but hey! Sean xxxx

Mo Kelly | 13 Apr 20 | 02.16 PM

So reading
Sean's
post I
gather
you don't
wear your
hearing
aid either
huh!! Are
you and
Maura in
cahoots?

As I tell her often, it doesn't work in
the box 😊😊😊

Hope you had a nice visit with Sean.
Here's a picture of my Mum getting

her first Saying-Hello newsletter,
note she doesn't have her hearing
aid in either ... Lots of love xo

Sean Hanna | 14 Apr 20 | 09.17 AM

Hey Dad - was just talking about you -
I am on a ZOOM meeting. Hope you
are OK - Love Sean :-) xx
